NOMINATION OF JOHN HANCOCK FOR FRED SGAMBATI AWARD

Concordia University would like to nominate John Hancock for the Fred Sgambati Award. John has been a sportscaster for Montreal (CBC AM 940) for the last 10 years and has worked tirelessly and endlessly to promote and cover university sports, not only the Montreal schools, but throughout Canada. It is not uncommon for John to spend two days of the week interviewing athletes from Concordia and McGill, and the weekend covering their events. His professionalism, ability and commitment to university athletics have been a major boost to CIAU programmes and participants.
